- Australian **Owned** and Designed
- Reusable, Durable and Washable
  - Carbon Matte Finish
  - Length of approx: **150cm**
  - Inner Diameter: **11mm**
  - Outer Diameter: **16mm**

### PRODUCT SPECIFICATION

The **HOOKAH FRUITS<sup>™</sup> Premium Carbon hose** is fully washable and lasts longer than traditional hoses. The material is straight forward does not **“absorb”** the taste of your shisha flavours. The hose length is approximately **1.5 meters** with **11mm** and **16mm** inner and outer diameter.

The high-quality carbon surface and the ultra-smooth **Matte-finish** make your shisha more beautiful and distinctive. The hoses are **reusable, durable** and **easy to wash**. These **dust-resistant** hoses are suitable for most shisha kits and hookah pipes. In saying that, any mouthpieces and end pieces are simply inserted into the hose. No additional accessories are required.

## PREMIUM ALUMINIUM FOIL

The “**PREMIUM**” HOOKAH FRUITS™ Aluminium Foil is made from high-quality and durable aluminium foil that fits the bowl. The **ROUND Pre-Cut & Pre-Poked** Sheets allow ease of use due to the custom fit. There is no need to fiddle around cutting and poking foil because we have done all of that for you. The diameter of the foil is **15x15cm**. The strength of foil is **42 microns**.

This allows for peace of mind and no fear of the foil breaking. The strong foil is flexible and resistant for perfect bowl assembly without a headache. HOOKAH FRUITS™ strong foil is also great for the heat management system. In addition, HOOKAH FRUITS™ has packed the foil with paper so it's easier to pick up and get the party started.
